### Message from Ms Cutting

As the 11th November falls on a Saturday this year, we will not be marking the two minutes silence together in school. However, in assembly on Monday and through the questions at the beginning of assemblies this week, the children have been learning about the significance of this date and about the importance of remembrance.

On Thursday the children in year 1 experienced a seaside day in school as part of their topic 'Near and Far'. Through this topic the children have learnt about contrasting places in the UK and the seaside day enhanced their learning with some first hand experiences.

Congratulations to Miss Hackett and her partner on the birth of their daughter Lilly Jane, who was born last week weighing 7lb 7oz. We are very much looking forward to meeting Lilly soon.
