Message from Ms Cutting

Thank you to all of the parents who came along to parent teacher consultations this week. There was a very high turnout and it seems that almost everyone was able to attend on either Tuesday or Thursday evening, but if you were unable to attend please speak to your child's teacher. It was lovely to be able to share so much positive news about the children on parents' evening. We hope that you found the meetings informative and useful.

Very well done to all of the children in Hawthorn class for their fantastic class assembly on Wednesday. The children shared their learning about heroes in different ways including poetry and drama. Thank you to all of the family members who came along to support them.

As you know, Mrs Walton has been absent for some time and she has now made the decision not to return to her teaching post. Mrs Walton made a very positive contribution to the education of children at Olive Hill and to the school's improvement journey. I am sure that you would join the staff in thanking Mrs Walton for her dedication and commitment to teaching and to the children. We wish her every happiness and success in the future.

World Book Day is coming up soon after half term and there are more details about our planned celebrations in this newsletter. Finally, we wish you all a good half term break. Please take the opportunity to ensure that your children have full school uniform and PE kit ready for the return to school. We look forward to seeing them all on Monday 26th February.
