Message from Ms Cutting

I am delighted to tell you that very soon there will be provision for two year olds at Olive Hill. The sessions will be provided by Olive Hill Acorns who already provide high quality after school care on our site. The community room at the front of the school building will be the venue for the sessions for two year olds, which will be held every afternoon during term time. Parents will be able to pay for their child to attend the sessions or, if they qualify, claim free 'time for twos' sessions. In the near future we also hope to work in partnership with Olive Hill Acorns to provide the government funded 30 hours of free childcare for three year olds on site. If you may be interested in arranging a place for your two year old further details are overleaf.

As the school continues to grow, our breakfast club is full or almost full every morning. Please ensure that if you need a breakfast club place for your child you book it as soon as possible. If you have not booked we may not be able to accommodate your child as we may well already be full.

The RNLI visited year one this week to provide a workshop during which the children learnt about water safety as part of the topic Water, Water Everywhere. The children gained a great deal from this experience and we would like to thank the RNLI for making the time to visit us.

Year 1 RNLI Visit

On Thursday, Year One had a visit from the RNLI, who taught us about different ways to be safe by the sea. We also learnt what the different flags stood for and how to report an emergency. The children were most excited about being able to dress up as life guards!
