Message from Ms Cutting

Congratulations to the children in Maple class for their entertaining class assembly, which they performed on Wednesday. The children confidently shared their learning about the second world war and staff were very impressed by the acting talent which was evident throughout. The children's singing was also a real highlight. Having now seen both of our year six classes perform their final class assemblies at Olive Hill, we are all very much looking forward to what promises to be an excellent leavers' production this summer. It was wonderful that so many family members could come along to support the children, thank you.

This week began with a visit from Reverend Mike Sermon, who talked to the children about the meaning of advent in assembly on Monday. Our friends from 'Open the Book' have now made their last visit to Olive Hill for this term. Thank you to them for taking the time to share assemblies with the children each Thursday. The older members of our choir took part in a massed rehearsal of the Stour Vale Academy Trust choir on Tuesday in preparation for their performances at Christmas concerts at all of the schools. The children very much enjoyed the rehearsal and will gain a great deal from the experience of singing as a larger choir. Thank you to Miss Raphael and Miss Macaskill for preparing and accompanying them to rehearsals. Thank you also to Mr Weston and Mr Patel who are driving the minibus to and from events.

Please ensure that you return Christmas dinner orders to school by Tuesday 5th December at the latest. If an order has not been placed for your child by this date a hot dinner will not be available for them on Tuesday 19th December.
