Message from Ms Cutting

Welcome back to the summer term. The children have made an excellent start to the new school term and attendance this week has been good.

Children and staff alike have enjoyed the sunshine this week and although the forecast for next week does not look promising, we hope that the pleasant weather will return soon. Please ensure that your child is prepared for the warmer weather. They all need to have a water bottle in school so that they can drink water and remain hydrated throughout the day. Please also send a cap or sun hat on sunny days and children may wear sunglasses outside. Please ensure that all items are named so that we can return them to your child if they are lost. Finally, if you would like your child to wear sandals to school during the summer, please ensure that these are black, brown, white or blue in colour and that they are sturdy enough for school use.

Thank you to all of the parents who came to the year one phonics screening workshop on Wednesday afternoon. Feedback from all parents who attended was very positive. If you were unable to attend and would like further information, please speak to the year one team.

The summer term is always a busy one and we are currently setting dates for all of the end of term events. Dates for this term will be on the newsletter next week.
