Hello students of Olive Hill, I am Connor and I am Ibrahim and we are writing this week's newsletter!

Hey Ibrahim, did you know there was a wasp nest behind Magnolia classroom? Yeah, how could you not know there was a wasp nest behind Magnolia? Luckily, the teachers arranged for a professional to come and deal with them. The KS2 gate had to be closed so none of the pupils would be stung. Also, the KS1 children had to come on to the KS2 field, which was interesting! Year 5 and 6 handled not being on their normal playground really well!

Congratulations to Year 6 for completing their Baseline SATs! We know they worked really hard and since this is only their first attempt, we are not too worried about them. Another thanks to the Year 6 teachers for helping the students to get through the week. The tests consisted of maths, English, reading and spelling papers.

Some classes have already begun their library visits. Ibrahim, have you got a book from the library? Yes, I have, Connor, because our class has already been. Oh yes, I forgot! Thanks to Long Lane Library for letting us come and visit.

On the topic of libraries, all phases now have their own libraries. The upper KS2 librarians are Connor and Alisha. We hope you have chosen a book already if not, get to it!
