Message from Ms Lutting

This week has been a very busy one at Olive Hill. On Monday the children in year four enjoyed a visit to Tamworth Castle. The children have been learning about the history of the monarchy in Britain and this visit brought the Tudor period to life for them.

On Thursday the children in year five visited the Think Tank in Birmingham, where they took part in two workshops and spent time in the planetarium and other exhibits. The staff were impressed by the way that the children shared their existing knowledge about space and developed their understanding through the day.

All of the children in key stages one and two have watched a performance of Awful Auntie at The New Alexandra Theatre in Birmingham this week. They all returned to school enthused by their experience of live theatre, describing the show as 'exciting and funny'. Thank you in particular to all of the parents of children in years five and six who had to wait for the late return of your children from the theatre on Wednesday afternoon.

Unfortunately, the performance did not begin on time and then all of the children leaving the theatre to return to their various schools were late boarding their coaches due to traffic congestion. Thank you also to all of the staff who worked together this week to make the theatre visits possible; everyone who helped ensure that the children got home as quickly as possible on Wednesday and also the kitchen staff and lunchtime supervisory assistants who supported changes to lunchtimes on Thursday and Friday.

Well done to all of the children who have been out of school on visits this week. All of the staff were very impressed by their behaviour; they were excellent ambassadors for Olive Hill.

Congratulations to the children in Cherry class who performed their wonderful class assembly on Wednesday. The children impressed us all with the confident and enthusiastic way that they shared how much they had learned about World War One. Thank you to everyone who came along to support them.
