Thank you to all parents who have returned their preferred appointment times for the parent teacher consultations next week. We will do our best to accommodate your request and we look forward to discussing your child's learning with you.

On Wednesday Oak Class delivered a fantastic assembly where they shared their recent learning about the rainforest with the rest of the school. Each child played their part well and they had clearly been practicing projecting their voices to a large audience. Thank you to all the grown ups who came along to support their child.

On Wednesday selected children from years five and six attended a dodge ball tournament at Hurst Green. Our fabulous team won all of their matches! In more sporting news, our football team continued their league season against top of the table Hurst Green and another high performing team, Cradley CofE. They showed great sportsmanship and good performances in both of the games.

This week the year six staff facilitated a SATs workshop for the children and their grown ups. This was well attended and provided an opportunity for the grown ups to see what the children will need to be doing throughout the revision period and in the actual tests. Thank you to everyone who supported this event.

## Dodgeball Champions!

On Wednesday afternoon, a team of twelve year 5 and 6 students representing Olive Hill were victorious at a Dodgeball competition held at Hurst Green Primary School. The children competed against three other teams, two from Hurst Green and one from Tenterfields, in a league format. Olive Hill won all three of their games to be crowned the tournament winners!

The successful team members were David Bowen, Leah Barnfield, Lisa Brewer, Nomise Carter, Sam Cutting and Elyas Karimi from year 5 and Jacob Dance, Regis Tomkins, Billy Rose, Kay Allen, Ruhan Miah and Courtney Davis from year 6.

Following the competition, the children then got the opportunity to team up with students from the other schools, as the teams were mixed up for a final round of games.

The children represented the school fantastically; both with their behaviour and their effort throughout. We are all very proud of all of them. Well done!
