Principles:

Dudley Council has an Inclusive Education Policy which aims to maximise the opportunity to meet parental preference and to meet the individual needs of children at their preferred school wherever possible.

The Council does not support the use of selective admissions policies based on aptitude or academic achievement.

The admission arrangements set by The Council ensures that the process is fair and equitable for all.

Legal Context:

- The School Admissions (Admissions Arrangements and Co-Ordination of Admission Arrangements) (England) Regulations 2012
- The Education (Admission of Looked After Children)(England)Regulations 2005
- The School Admissions (Infant Class Sizes) (England) Regulations 2012
- School Admissions Code 2014

Desired Outcomes of Dudley Admission Policy & Scheme:

- To maximise the opportunity for parents' preferences to be met and for Dudley children to be able to attend their preferred community or voluntary controlled primary school wherever requested.
- To enable parents to make informed preferences and to ensure that the Council implements a fair and transparent admissions policy across the Borough for the benefit of all parents who wish to express preferences for Dudley primary schools.
- That the number of parents who are not allocated a place at any of their preferred primary schools remains low.
- That the process is coordinated to such an extent that all parents receive only one offer of a school place at the same time, irrespective of the schools or Council for which they are applying.

Dudley Metropolitan Borough Council

Community and Voluntary Controlled Primary School Admissions Policy for Normal Age of Entry in Academic Year 2017/2018

Children will not be discriminated against as laid down by the Sex Discrimination Act 1975, The Race Relations Act 1976 as amended by the Race Relations (Amendment) Act 2000, The Human Rights Act 1998 and The Special Educational Needs and Disability Discrimination Act 2005 and The Equality Act 2010.

All preferences, regardless of ranking, will be assessed against the following criteria to allocate the available places at those community and voluntary controlled primary schools that are oversubscribed i.e. receive more applications than can be accommodated.

- a) First priority for admission shall be given to relevant looked after children or children who were previously looked after but immediately after being looked after became subject to an adoption, a child arrangements order, or special guardianship order. See notes below.
- b) Second priority for admission shall be given to children with a “serious and ongoing medical condition” where the preferred community or voluntary controlled school is the most appropriate school to meet the condition.

(Parents must provide supportive information from their child’s Hospital Consultant at the time of application in order to be considered under this criteria. This supportive information should include information about the needs of the child and should detail the difficulties the child would experience if they attended another school. Parents should also indicate why the preferred school is the most appropriate to meet their child’s medical condition rather than any other school. The Council will not seek to obtain medical evidence on behalf of parents.)

- c) Third priority for admission shall be given to children who have a brother/sister, half brother/sister (where the children share one common parent), or step-brother / step-sister, living at the same address and who will still be attending the preferred school in the academic year 2017/18.
- d) Any places that remain available once the above applicants have been admitted, will be filled according to those children who live closest to the school, determined by a straight-line measurement in metres, from the home address to the main entrance of the preferred school.

Notes

- Relevant looked after children means children who are looked after by a local authority in accordance with section 22 (1) of the Children Act 1989 and who is (a) in care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their social services functions (see definition in Section 22 (1) of the Children Act 1989) at the time of making an application to a school. This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under Adoption and Children Act 2002 (see section 46 adoption orders).
- Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.
- Section 14A of the Children Act 1989 defines a special guardianship order as an order appointing one or more individuals to be a child's special guardian (or special guardians).
- In accordance with legislation, a child with a Statutory Statement of Special Educational Needs or Education, Health and Care Plan (EHCP), will be offered a place at the school named in the Statement or EHCP as the most appropriate to meet the child's individual needs, this may reduce the amount of places available for children who do not have a Statutory Statement of Special Educational Needs or EHCP.
- Any Dudley child not obtaining a school at any of their preferred primary schools will be allocated a place at the next nearest school with a place available and advised about the independent appeals process.
- Definition of brother or sister also relates to adopted or fostered children living at the same home address.
- The home address is considered to be the child's (along with their parents') genuine principal place of residence at the time of the allocation of places i.e. where they are normally and regularly living. If a child is resident with friends or relatives (for reasons other than guardianship), the friends or relative's address will not be considered for allocation purposes.
- Where parents have shared responsibility for a child, and the child lives with both parents for part of the school week, then the home address will be determined as the address where the child lives for the majority of the school week. Parents will be required to provide documentary evidence to support the address they wish to be considered for allocation purposes. At least one item of proof must demonstrate where the child lives. It is expected that parents will agree on school places before an application is made, and it may be necessary to request evidence from you to confirm that this is the case. The Council is not in a position to intervene in disputes between parents over school applications and will

request that these are resolved privately.

- Special conditions will apply in the event that one child from a set of twins or triplets does not gain admission to the preferred school through the admissions criteria. The Council will exceed the admission number for the school concerned to prevent separation of twins / triplets.
- Random allocation will be used as a tie-break in category d above to decide who has the highest priority for admission if the distance between two children's homes and the school is the same.

Deferred Entry to Reception Class

Parents have the right to retain a place offered and request that their child be admitted to Reception Class later during the 2017/18 academic year or until the term in which the child reaches compulsory school age, if they so wish. Parents can also request that their child takes up the place part-time until the child reaches compulsory school age.

Please also see delayed entry policy.

Admission of children outside of their normal age group.

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. Parents should make their application to The Council setting out the reasons why they believe their child should be taught outside of their chronological age group.

In addition, the parents of summer born children may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1.

These parents will need to make an application alongside children applying at the normal age which should explain why it is in the child's best interest to be admitted outside of their normal age which should include information such as professional evidence as to why this is the case and why an exception should be made in the case of the child. A decision as to whether this is an appropriate course of action will be made by The Council who will take into account the circumstances of the case. Parents do not have the right to insist that their child is admitted to a particular year group.

Late Applications

Preferences that are received after the closing date for receipt of applications will only be considered after applications that were received within the deadline have been dealt with.

There will, however, be exceptional circumstances in which a late application will be considered alongside those applications that were made within the deadline.

In each circumstance supportive documentary evidence must be provided by the parent / carer at the time of application.

Waiting Lists

If a school is oversubscribed and children have been refused admission because other children have a higher priority for admission under the published admissions criteria, then those applicants who are unsuccessful will be asked if they wish to be placed on a waiting list.

Children on the waiting list will be ranked in accordance with the published admissions criteria and the list will operate from the point of allocation until the 31st December 2017. There will be a period of two weeks after the national offer date whereby places that have become available will not be reallocated. This will allow all applicants the same opportunity to join the waiting list.

Inclusion on a school's waiting list does not mean that a place will eventually become available there. A child's position on a waiting list is not fixed and is subject to change during the year i.e. they can go up or down the list.

If a parent requests that their child's name be added to the waiting list of a school that was ranked lower on the preference form than the school allocated, the child's name will be placed on the waiting list in accordance with the published admissions criteria.

Places that become available between the point of allocation and 31st December 2017 will be offered to children according to their ranking on this list i.e. those ranked highest will be offered first.

Application process

For admissions at the normal point of entry The Council will co-ordinate all applications for all schools in Dudley. See the co-ordinated scheme for further details.

In year admission applications will be co-ordinated by The Council for all Community and Voluntary Controlled schools and for those Academies, Foundation and Voluntary Aided Schools who have indicated this in their admission arrangements.

Repeat Applications

It is not The Council's Policy to consider repeat applications in the same academic year unless there have been significant and material changes in the circumstances of the applicant.

Supplementary Application Forms

5. The Governing Body of a school for which The Council is not the Admissions Authority can require parents to provide additional information on a supplementary form where that information is relevant to the schools admissions policy. Where a supplementary form is required it must be returned to the school concerned by the published closing date.
6. If a school, where the Governing Body is the Admission Authority, receives a supplementary form it will not be treated as valid unless the parent has also completed the PCAF.

14. Dudley and surrounding Councils will send each other the results of the offers by 31st March 2017.
15. Where a Dudley child does not meet the admissions criteria for any of the preferred schools, a place will be allocated at the nearest Dudley school to the child's home address with a space available.

Applications will be made direct to The Council, or direct to the school, where the school has indicated that they do not wish to co-ordinate their in year applications.
